supply of Kutanur and Vijayapurada-amanikere tanks, which are in action, and of Nallur tank, the restoration of which has been prayed for. It will also afford greater facilities for irrigating the wet lands of Halahalli, Tandavadi, Kamarahalli, Chikkati and other villages in this taluk, and Taradale, Kudlapura, Hemmaragala, Hedatale, in the Nanjangud taluk, in addition to supplying water to the Kalale tank in the Nanjangud taluk.

Subject No. 233.
Repairs to certain kattes in the Gundlupet Taluk.
Mr. Chikka Vaderappa.

Summary of discussion.—Owing to water difficulty in the villages, wells are at present being sunk at the cost of District Funds. These wells can supply water only to the villagers, but not to their cattle. It is therefore requested that all the kattes in the villages may be improved in view to afford water-supply to the villagers as well as the cattle.

Reply of Government.—Referred to the President, Local Fund Board.

Subject No. 234.
Extension of State Forests
Mr. Chikka Vaderappa.

Summary of discussion.—Certain District Forests were formed lately into a State Forest under the designation of Maya State Forest, and it is reported that the Forest Department have already marked out some more portion of the District Forest extending from Borayanakatte kanave to the Thondavala Hills to be included in the State Forest. It is further arranged to form a State Forest under the name of Naganapur State Forest between Nanjangud and this taluk. Such formation of State Forests has resulted in depriving the raiyats of their privileges in the matter of obtaining unreserved wood, etc., for agricultural purposes, and of pasture lands for grazing cattle, whereby they are put to much inconvenience. It is therefore requested that the State Forests formed recently be removed from the list of State Forests and thrown open for the use of the raiyats as District Forests.

Reply of Government.—Not feasible.

Subject No. 235.
Repairs to the Ummattur Tank.
Messrs. Amble Anniah Pandit and D. Narasimhaiya.

Summary of discussion.—Beyond the restoration of the Ummattur tank to its former condition no further improvements are needed. More money than was necessary was spent from the temple funds. There is a big breach now, the closing of which should be carried out from Government funds. It is unfair to fill it at the cost of the temple.

Reply of Government.—Referred to the Chief Engineer.

Subject No. 236.
Formation of village roads.
Messrs. Amble Anniah Pandit and D. Narasimhaiya.

It is requested that the villagers may be compelled to repair these roads every year, any tunnels to be constructed on them being undertaken at the cost of the Local Funds, *i.e.*, the Local authorities should take some interest.

Removal of the Chattram at Chamrajnagar.

Messrs. Amble Anniah Pandit and D. Narsimhaiya.

Summary of discussion.—The chattram at Chamrajnagar may be removed, and out of the surplus receipts of Rs. 7,000, after defraying all expenditure connected with the Chamarajesvara temple, a monthly contribution of Rs. 100 may be ordered to be paid for feeding purposes in the temple Sivakutam. At present Brahmans alone are being daily fed in the Sivakutam. This arrangement is not convenient to the three different Brahman communities. It is requested that raw rations may be distributed to those that do not mess in the Sivakutam as also to Gosayis.

Reply of Government.—Referred to the Muzrai Department for report.

Subject No. 241.

Subject No. 243.

Jodi Venkataiyana-chattra village.

Messrs. Amble Anniah Pandit and D. Narasimhaiya.

Summary of discussion.—Jodi Venkataiyana-chattra village in the Haradanhalli hobli is divided into 28 shares. It was attached and taken under Government management, owing to the default on the part of two of the sharers to pay up the Government dues. This arrangement is prejudicial to the interests of minors and women co-sharers. Now that three times the Government arrears have been recovered from the income of the village, surplus receipts may be distributed among the several co-sharers from the year *Plava* according to their claims. It is further requested that as provided for in the sannad granted by His Highness the late Maharaja and Dewan Purnaiya, half of the receipts
